The records obtained from the P.W Secrt do not throw any light on the point raised by the Complt. These officers were discharged from Service on acct of ill-health and it seems that such discharge cannot be considered as dismissal

Rule X (a) of the maintenance rules. By 'incapacity' is apparently meant professional incompetency and it was not on the ground of such incompetency but owing to their ill-health that these Officers were removed from service. If this view is right, it seems that a claim for bonus is tenable under ~~art~~ rule XI.

Is the word 'incapacity' in rule X(a) which has given rise to this correspondence. If the word used were 'inefficiency' I would have accepted the order. But incapacity is more comprehensive, & as there held in Comptr it includes inability by reason of such an amount of ill health.

If Dewan holds that incapacity should be interpreted the inefficiency, I shall waive the objection, but perhaps in such cases a medical certificate should be insisted on in order to discourage malingering

Explains that the word
incapacity used in rule
X a of the C & S maintenance
rules means inefficiency &
not inability to attend to duty
on account of ill health & there-
fore the hydraulic operators
are entitled to bonus under
rule XI - but in this & such
other cases a medical certi-
ficate should be insisted
upon as a condition precedent
for the bonus being claimed
on the score of ill health.

From

U. L. Majumdar Esq, M.A.,
Comptroller of Mysore,
P.W.& Ry. Branch

To

The Secretary to the Government
of H.H.The Maharaja of Mysore,
Financial Department

No. 250/E dated Bangalore. 6/8 July 1907.

Sir,

I have the honor to report that the Secretary Public Works Department conveyeed in his No.176/1412 of the 26th February last sanction to the payment of bonus to hydraulic operators Messrs D. E. Tennisfield and C. L. Stephens whose services were stated to be dispensed with.

2. From the list of promotions and transfers ordered in consequence which was subsequently received with the P.W.Secretary's draft No.493/3888 of the 29th May 1907 it is observed that the abovenamed operators were discharged for ill health.

3. As this office was doubtful whether discharge for ill health could give rise to a claim for bonus under rule 11 of the C.P.S.Maintenance Rules, the P.W.Secretary was asked to obtain special sanction of Government to the grant of the bonus.

4. The Chief Engineer in reply states that though the services of these Operators were dispensed with on account of their ill health as they were not discharged on account of inefficiency or incapacity bonuses were admissible under the ordinary rule viz., rule 11 of the

Maintenance

Maintenance Rule above referred to.

5. It seems to me that under this rule as it is worded no bonus is admissible to a man discharged on account of incapacity whether due to ill health or inefficiency . It is therefore requested that a definite ruling on the point may kindly be issued.

I have the honor to be,

Sir,

our most obedient servant,

M. K. Venkatachalam
